---

Piedmont is one of the most famous wine regions in the world and a “must do” for true wine lovers and collectors. On this luxurious Wine Tour, you can look forward to VIP wine tastings at premium small Barolo and Barbaresco estates (as well as lesser known boutique estates in Gavi, and Tortona); crème de la crème restaurants (Piedmont, or “Piemonte” is a gastronome’s paradise), chocolate and vermouth in elegant Turin and some spectacular scenery in the Langhe- especially if you tour in the autumn when the vineyards are at their most beautiful (autumn is also fabulous as it is the white truffle season and when Alba hosts the exciting international truffle fair and auction).

Your private driver guide will pick you up in airport and you’ll head south into the Piedmont wine country. Over the next week you have some amazing food and wine experiences to look forward to! Visit cult producers like Walter Massa and Roagna; top Dolcetto experts like Einaudi and Mossio; beautiful estates in La Morra and Barolo .
