### SHOPPING IN SERRAVALLE SCRIVIA OUTLET

Serravalle Scrivia is the town of the “shopping paradise” with Serravalle designer outlet McArthurGlen and Gavi is the land of vineyards and wine.

We propose a day of relaxation and shopping, starting to get a visit to an historical winery, tasting the Cortese grape variety, emblematic of the Gavi production zone and continuing with a brunch before reaching the Serravalle Designer Outlet, where the client can enjoy shopping.

Over 180 outlet stores, mono and multi-brand, best clothing brands, shoes, accessories and more.
