

Delicious tasting amidst casks of wine Code C 011 • 1 day

A guided tasting of wines paired with typical local products

A mouth-watering experience tasting wines amidst the barrels they mature in, and matched with local produce and traditional dishes from the Langhe and Roero. A family of passionate Langhe wine producers present the premium fruits of the earth of the Langhe and Piedmont: a chance to discover this area through the eyes of those who have always lived and worked here!

Dates: every day of the week, all year round

Duration 2 hours and a half

N. of people: min. 2

Price: Euro 39,00 / person

Booking: by 10 a.m. the previous day, subject to availability

The price includes:

Tasting of 6 wines accompanied by local products and dishes (two starters, cured meats, a first course, local cheeses with *cugnà* chutney and sweet)

The price does not include:

Transfer, extras and anything else which is not expressly specified under "the price includes".
