

Asti, Canelli and “Underground Cathedral Visit and Tasting Code B 026 – 1 day excursion

A day trip to discover colours, flavors and emotions of Monferrato hills.

Morning in Asti, the city of 100 towers, with its medieval heart, the beautiful cathedral, the baroque palaces, the ancient jewish ghetto and its elegant squares.

Lunch at traditional restaurant, with balcony view over the beautiful hills.

Afternoon spent to visit an historic winery in Canelli and its cellars unique in the world, the “Underground Cathedrals”, true masterpieces of engineering and architecture in the wine industry. The constant temperature is 15° , the ideal place for the production of sparkling wine Spumante.

Wine cellar if possible to visit are: Cantine Contratto, Gancia, Bosca and Coppo.

Wine tasting and return to hotel.
